Welcome to the 2017 Baseball Season!

Thank you for being part of the 2nd season of the Mukwonago Tribe Youth Baseball Organization. Our program has grown to 14 teams and 166 players. As the season starts getting in to full swing, please take the time to review the [Parent and Player expectations](#) of the Tribe.

Good luck to all teams as they start their seasons and have FUN!

Tribe Indoor Facility

The vision of the Club is to have a training center that enables each Tribe Team and their individual players, along with the High School Program, all of the training time desired.

If you own or lease a larger building in the general area, or are aware of anyone has an available building, vacant part of a building, or vacant land that might be suitable for an indoor baseball facility, please contact mtribebaseball@gmail.com.

Refer to the [Indoor Facility FAQ](#) for further information.

1st Annual Mukwonago Tribe 1 Day Tournament

Come cheer on the Tribe teams at the 1st Annual Mukwonago Tribe Tournament Saturday and Sunday June 3 & 4 at Miniwaukan Park. This tournament is a fundraiser with proceeds to fund a future Tribe indoor facility. Watch for brackets and times to be posted on the [Tournament webpage](#).

The club will be asking each family to volunteer 3-4 hours by working concessions, prepping fields, etc when their son is not playing ball. Online sign up information coming soon.

Tribe Rookie League

We are excited to announce the inaugural season of the Tribe Rookie League (coach pitch) for 6 - 7 year olds. Come watch the future stars of tomorrow on Sundays starting in May at Lauren Park. Find more information on the league and schedule on the [Rookie League page](#).

National Tournament Trips

Each of the Tribe U12 teams is travelling this summer to play in a week long national tournament. Contact either coach if you are interested in supporting their trips.
